THE PEOPLE'S ANTHEM.

BBENEZER RILIOT, THE ENGLISH CORN LAW RHYMER. When wilt thou save thy People ? Oh, God of mercy, when? Not kings and lords, but nations! Not thrones and crowns, but men! Flowers of thy heart, oh God, are they, Let them not pass like weeds away, Their heritage a winter's day. God save the People

Shall crime breed crime for ever, Strength aiding still the wrong? Is it thy will, oh Father, That man shall toil for wrong? "No!" say thy mountains. "No!" thy skies "Man's clouded sun shall brightly rise, And songs ascend instead of sighs." God save the People

When wilt thou save thy People? Oh, God of mercy, when? The People, Lord, the People! Not thrones and crowns, but men! God save the people! thine they are, Thy chi'dren, as the angels fair, Save them from bondage and despair, God save the People

DOUBT NOT.

BY J. M. KNOWLTON. When the day of life is dreary, And when gloom thy course enshrouds-When thy steps are faint and weary, And thy spirit dark with clouds, Steadfast still in thy well-doing, Let thy soul forget the past-

Steadfast still the right pursuing, Doubt not! joy shall come at lust Striving still and onward pressing, Seek no future years to know,

But descree the wished for blessing It shall come though it be slow; Never tiring-upward gazing-Let thy fears aside be cast. And thy trials tempting-braving Doubt not! joy shall come at last.

Keep not thou thy soul regretting, Seek the good -spurn evil's thrall, Though thy fees thy path besetting, Thou shalt triumph o'er them all,i Though each year but brings the sadness, And thy youth be fleeting fast, There'll be time enough for gladness-

Doubt not! joy shall come at last. His fond eve is watching o'er thee-His strong arm shall be thy guard-Duty's path is straight before thee. It shall lead to the reward. By thine ills thy faith made stronger. Mould the future by the past-Hope on then a little longer! Doubt not! joy will come at last!

If thousands of Cures of Scrofula. Cancers. Syphilis. and other impure diseases of the Blood—and if the VERY SMALL, QUANTITY which was used of a Medicine to effect Cures of such Diseases, be any proof of the purifying medicel power in the Medicine which has subdued and conquered such Diseases—then there is unquestionable evidence that—

BRANT'S INDIAN

is such a Medicine, in every respect; and there is abundant proof, in great cures effected, that ONE BOTTLE of it contains more purifying, healing virtue, and medical power, than there is contained in Four Bottles of any sarsaparilla, or any other medicine that has ever been offered for sale. There is undoubted proof in our pamphlets, that by the use of this great Indian Purifier, they that were DYING yet LIVE—they that were SICK, SCROFULOUS, and otherwise diseased, have been HEALED and CURED.

Hundreds-Thousandswho have used BRANT'S PURIFIER, after having used and tested ALL the sarsaparillas and other medicines recom-mended to cure blood diseases, have decided that—

Brant's is the Cheapest,

because One Bottle of it has more medical, curative matter in it, and, in consequence, cures more disease in much less time, than one bottle of any other medicine.

If then, One Bottle of Brant's Purifier will cure FOUR III, then, One Bottle of Brant's Purifier would be as cheap at four dollars a bottle, as sarsaparilla at one dollar. But BRANT'S PURIFIER is sold for only ONE DOLLAR a bottle: and as a much disease as one bottle of sarsaparilla, therefore, sarsaparilla, in consequence of its less power and less medical efficacy, should be sold at no more than Tuenty-Fire Cents per bottle, to be as cheap as the Purifier and Every Ready, California. CANCEROUS SCROFULA! This is the case of a Dying man who yet lives. He was cured of a worse case of Scrofula, by only Tuclve Boules of Brant's Purifier, than ever was cured by the use of Tuclve Gallons of the best sarsoparilla that was ever made. Sarsa parilla has not sufficient medical power to effect the cure of buch a revoltingly hopeless case.
Mr. J. B. HASKIN, of Rome. Oncida Co., N. Y., had Scrofsuch a revoltingly hopeless case.

Mr. J. B. HASKIN, of Rona. Oncida Co., N. Y., had Scrofula four years—was confined to his bed the last year—he was so much deceased and defilitated as to be unable to raise his hand to his head. He had the best medical advice—bad used all of the best sursaporillas to no good effect—got rorse and verse, and was considered to be in a Dying State, and could not live teenty-four hours longer, when he commenced using Bikant's Purifier. His neck was his woundpipe, under his chin, so that he breathed through the hole—his ear was so caten around that it could be lifted up out of its place, it only holding by a small piece—the use of one arm was destroyed by two Olcers—an Ulcer under the arm, as large as a man's hand, had nearly caten through his side hole, thus, he was afflicted with Treety such purial, acrid, offensive Ulcers, on various parts of his person. For further and full particulars, see our Pamphlets.

Doct. Thomas Williams, one of the most skillul physicians of Rome, was called to see Haskin the day before he commenced using Brant's Parifier. Doct. W. examined him, and then told him that all the medicines in the world could not our him—that his case was

"M. T. WALLACE, & CO.—Gentlemen: 1 was, for more than a year, afflicted with a disease of the stomach. I could not eat air-state or greasy substance without causing great pain, sickness, and vomiting, and was continually afflicted with a sour stomach. I, as an experiment, tried one bottle of BRANT'S MEDICINE, which, to my utter disappointment, eased and relieved the usual pain after eating. I therefore used a second bottle, which has completely cared the disease. I am now well and hearty, and can cat atmost anything without being pained, or the stomach becoming sour.

The Sober Second Thoughein New York—
We are glad to see strong symptoms of returning reason and particisism in the workertions into which our party has been unformafarely split in the Empire State. From the
returns of the spring elections we judge that
the party is again united, and we hope hereafter to see the state, where she ought to be,
at the head of the domocratic column. In
twenty-one counties, from which returns of
Supervisors' elections have been received, the
result stands, democrate 224, whigs 110—
Last year the same commiss stood, democrate
109, whigs 190—democratic gain 129! Good
for the Empire State.
